

# YOU TUBE VIDEO LINK REQUIREMENT

**DEADLINE April 12, 2024**

*Because there is no audition for this event, all contestants are being entered into the general show sight unseen. Therefore, each contestant must record themselves in a home video dressed in their performance costume and then uploaded to YouTube to share with us the link to watch the videos.*

**Here are the rules and guidelines for the video:**

- 1. You must perform to the music/song that you are planning to use for the real show. No substitutions.**
- 2. You must perform with the same instrument that you perform with in the YouTube video** unless it is a piano. You will be using the Cultural Arts Center's grand piano for your performance so there does not have to be a grand piano in your video. We will accept an electronic keyboard in the video.
- 3. You must be dressed in the costume or performance wear that you intend on wearing to the real show.** Do not send us a video unless you are completely dressed just like you want to be seen on stage. Costuming is a large percentage of the judges votes for winning. *\*\*Cultural Arts Center reserves the right to deny any contestant entry into the real show based on failure to meet costuming standards alone.*
- 4. Your upload to YouTube should include in your title of the video your name, age, category of talent, the name of the song you are performing, the original artists and if there is an accompanist, their name too.**
- 5. COPY AND PAST THE YOUTUBE LINK URL IN AN EMAIL AND SEND IT TO [ann@theculturalartscenter](mailto:ann@theculturalartscenter)** no later than April 12, 2024.
